

Important Note: Under the DIIRTE guidelines, a publication can be reported only once by ACU. If your publication has already been reported in a previous year under the same or another category, you cannot report this publication again. Please contact the Associate Dean (Research) in your faculty if you require further clarification.

Academic Staff member to complete Sections A-C only.

Collection Year

Year Published

SECTION C Research Data Collection Checklist

Please source the following items for verification of your book:

- copy of front cover of the book
- copy of the title page
- copy of the full table of contents
- evidence of the year of publication (provide English translation if published in a foreign language)
- evidence of the name of the publisher (provide English translation if published in a foreign language)
- if book is not published by a commercial publisher (refer to section 1.6 of the [Research Collection Manual](#) for the definition of a commercial publisher), provide evidence of peer review:
 - statement in book confirming peer-reviewed (provide English translation if published in a foreign language) **OR**
 - statement in English from publisher or editor confirming peer-reviewed; **OR**
 - copy of reviewer's assessment relating to the book (provide English translation if written in a foreign language)
- if publisher is listed in [Beall's list](#), please attach a copy of the reviewer's assessment relating to the book (provide English translation if written in a foreign language)
- evidence of place of publication (provide English translation if published in a foreign language)
- evidence of authorship:
 - by-line in publication indicating that research was undertaken as ACU staff member or student of the University; (provide English translation if published in a foreign language)
 - OR**
 - signed statement on Author Affiliation Form
 - if multiple authors, first named ACU author is submitting publication; **AND**
 - authors are listed in correct order
- copy of preface and introduction from the book
- evidence of ISBN (provide English translation if published in a foreign language)

Important Note: If your publication is in a foreign language, the verification evidence must be provided in English. According to the DIISRTE guidelines, it is not necessary to translate the entire publication, but all the relevant sections required for the verification of information to demonstrate that it meets the criteria of an A1 Book, should be translated. This includes evidence that the work is a major work of scholarship and meets the definition of research.

DECLARATION OF AUTHORSHIP: I hereby declare that I am the principal author or co-author of the above mentioned publication, the publication complies fully with the DIISRTE definitions and the details provided are correct in all respects. I also declare that the research was undertaken while I was a staff member at ACU. Where I am the principal author of the publication, I also declare that the raw data associated with this publication is being held in accordance with all relevant guidelines.

What to do next?

1. Please provide your cover sheet, checklist and proof documents to your Research Data Collection Coordinator (RDCC). Contact details of RDCCs can be found at <http://research.acu.edu.au/researcher-support/reporting-research-activities/>
2. Please email the book title and ISBN to research.lib@acu.edu.au. This will allow ACU Library to order a copy of your book.

SECTION D Administrative Use Only

Associate Dean (Research) or Nominee

Publication is:

- HERDC eligible, meets the definition of research, and the definition of a research publication as per DIISRTE guidelines.
